

**24 hours Gashuku
27th – 28th May 2006**

We just completed our 22nd **24 hours Gashuku** with excellent participation of our Yudanshakai. This very demanding training is the opening event of our summer Gashuku season, next will be the **Combined Beach Gashuku** (sunrise training on the beach of the Mediterranean Sea and sunset training in a beautiful park) and another, which is our **International Gashuku in Hungary** – this time under the leadership of a unique team of 5 Senior Teachers from the historic Jundokan Dojo of Okinawa: Kancho Miyazato, Sensei Taira, Gima, Azuma and Glenn San.

May we see each other very soon.
