### **Masters class in Israel with Dott. Bertoletti and Mr. De Ronzi International Budo Academy's special Ju Jitsu and Iado seminar**

Especially chosen timing and carefully organized timetable are the characteristics of the visit of Dott. Giacomo Spartaco BERTOLETTI – 1<sup>st</sup> Vice President of IBSSA and Mr. DE RONZI – IBSSA Master Teacher in Israel at the Headquarters of the International Budo Academy.

The host Dr. Rony KLUGER – General Secretary of IBSSA prepared a very intense program for the visitors. The main item of the visit was IBA's seminar of Ju Jitsu and Iado for Martial artists from all disciplines. The seminar was a great success and very well received by all participants from various Dojo's. Maestro BERTOLETTI and DE RONZI with the help of their host Rony KLUGER organised the seminar within the frame of classical Budo. All principles are same in all schools of Budo the tools are often a bit different, but Ju Jitsu Iado and Karatedo are based on the same philosophical, strategical and biomechanical principles.

The seminar was just the beginning of a long run cooperation between the three Sensei in order to develop and preserve classical Budo. During the short visit Dr. KLUGER organised a visit for his guests at the Dojo of Master Dennis HANOVER the Head Master of the famous Denis Survival System. Master HANOVER is a close friend of Rony and the visit in his Dojo gave to the visitors a closer insight into his so unique system. Denis Survival is not a Martial Art, it is a system of true survival, adapted to the local circumstances.

The time was of course used to finalize all details of the forthcoming **"First World Martial Arts Festival"** of IBSSA Sport Department December 2001 – Mestre, Venice.

Dott. BERTOLETTI and Mr. DE RONZI had meeting with Mr. Zeev GEFEN at the Israeli College for Security and Investigation. Dott. BERTOLETTI had the opportunity to meet with Mr. Moshe GALISKO and Mr. Avi KLAU – Members of IBSSA. The visitors also met the press and the visit received positive public attention.

One of the highlights of the days was the visit at the Israeli State Police Academy for Tactical Combat and Training. The host of the visit the Police Academy commander General Zeev ZEIGELBOYM is an old time friend and colleague of our General Secretary Dr. KLUGER. Mr. ZEIGELBOYM gave a very professional explanation to the construction of the Academy, the training system and also about the local situation concerning anti terror activities and training programs. Dott. BERTOLETTI and Mr. DE RONZI visited and met the staff of the Academy and exposed to some of their training methods.

The visit was especially interesting for Master Teacher Roberto DE RONZI, who is a Head Instructor for the Italian Police. At the last training section Soke BERTOLETTI surprised his friend and host with a beautiful cup and with evaluation of Kancho, Rony KLUGER to 7<sup>th</sup> Dan Ju Jitsu. In return, Dr. KLUGER presented Soke BERTOLETTI with his official nomination as the Vice President of IBA and the International Budo Academy has evaluated Roberto DE RONZI to Master Teacher of Ju Jitsu.
