Report of the IBSSA International Sport Federation 14th March 2005

IBSSA International Sport Federation (ISF) has already spread its wings and serves our professional community in various professional fields, mainly sport disciplines that are connected by their nature to the security personals: Martial Arts, fighting sports, shooting, horse riding, heavy athletics and more.

We were developing a comprehensive program for official IBSSA Bodyguard championships with our very fine International Team.

Last year IBSSA – ISF members participated and represented us worldwide on International Sport events in Karate, Ju Jitsu, Combat shooting, horse riding and also our famous Bodyguard demonstrations. All competitions achieved great public attention.

Some of our International members (Netherlands, Israel, Hungary and Italy) organised various successful sport events within the frame of IBSSA – ISF with large numbers of participants. The tradition of the “World Martial Arts Festival” is still going on with a fine blend of high-level clinics, qualification courses with leading Master Teachers Team from wide range of disciplines and top-level sport events with our own unique ruling system.

This event and also those, which are organised by the World Martial Arts Alliance, brought together hundreds of participants from all over the world.

The fruitful cooperation of International Budo Academy and IBSSA provided us some very special courses, workshops for advanced Instructors, Teachers and Masters qualifying programs.

We held some elite academic award ceremonies of IBA in Hungary and the Netherlands.

IBSSA – ISF has already started its new projects: membership cards for Students, Instructors, Teachers and Masters in the various sport disciplines.

Please order cards from the HQ, or for official qualifications you can contact the ISF President's office:

We sincerely hope to continue upgrading our activities of Sport events, Instructional workshops and qualification programs worldwide. We are welcoming any inquiry and interest in all our activities.
