EVENTS

The registration for the Championship can be made for teams with 4 persons each (1 VIP, 3 bodyguards). Every team must use their own car. The car will be used for driving in the normal traffic and for some special tasks within the normal conditions of use. No extreme driving situations!

Start of the championship at 0900.

Every team will receive a closed envelope, containing the tasks.

The teams will start with a time distance of 15 minutes.

The envelopes are to be opened only at start!

There will be separate places, what have to be found, and separate situations have to be handled. The envelopes will contain also a city map.

The evaluation of the separate tasks will be done by several conditions, like used time, missed shots, hitted buoys, etc.

Following skills are necessary to solving the tasks:

knowledge to read and use maps
knowledge in the field of bomb search
knowledge in the field of first aid
knowledge in self defence and man to man fighting
car driving practice
shooting practice
good physical condition
theoretical knowledge in the field of bodyguarding

We suggest wearing tactical suite and boots.
