

WKC news on forthcoming championships

5th European Championships 2nd to 4th June 2006 in Bratislava, Slovakia

All federations participating at the WKC tournaments have to bring referees to the tournaments. If a federation takes part even with only one competitor in Goju Ryu, Shito Ryu or Wado Ryu then it has to bring also at least one referee in that style. This applies for all future tournaments including the 5th European Championships.

Please book your accommodation in due time for the European Championships, look for details on the WKC website under the link *5th European Championships*. The inscription forms for the championships are also under this link.
