Zlín, 19th March, 2005

Report on the IBSSA Technical Department

This report has been made for the 10th Congress of IBSSA, 19th March, 2005, Zlín, Czech Republik by Col. Dr. András Czapáry-Martincsevics KM Chairman of IBSSA TechDept about the activity of Department since the last Congress and about some future plans how to develop the activity of Department.

1. The members of TechDept have defined the mission and the places of activity, the requirements for nomination of new TechDept members agreed by Executive Committee. It can be read by everyone on the Internet or please contact us for having it. We focused to find new members who supporting efficiently our activity and working really.
2. The members of Departments elected Mr. Bert E. Dombi from Swiss to the Secretary of IBSSA TechDept. Mr. Bert E. Dombi is a serious international consultant and supplier of the Swiss Army for reliable notebooks and telescopic night-vision cameras for observations.
3. Dr. András Czapáry-Martincsevics and other IBSSA persons have participated on some below listed conferences and have made lectures and demonstrations:
 - 30th of May, 2004 Győr, “1st Technical Days of Technical University “Széchenyi” – Conference”: “RFID Applications in Access Control Systems”
 - 2nd September, 2004 Budapest, Meeting at Hungarian Section of IBSSA: Demonstration and Lecture about Guard Control Systems
 - 9th of September, 2004 Budapest, “Industrial Softwares, Tools and Applications” Conference & Exhibition in Budapest: “Industrial Application of RF Tag based Identification Systems”
 - 26th September, 2004 Palermo, XII Conference of IPSP on Security of the Mediterranean: “ePolice-eVIS – A new Initiative and proposal to prevent car stealing!”
4. MBVMSZ – The Employer’s Association of Hungarian Security Companies has elected Dr. András Czapáry-Martincsevics to Chairman of its Safety Technique’s Working Committee in July of 2004. Later he has been delegated by the Association to the Working Committee of Electronic Surveillance at CoESS (Confederation of European Security Services).

Finally we would like to state and declare that we focus our activity to introduce more and more new security equipments to the members by using of publication opportunity of IBSSA.

Col. Dr. András Czapáry-Martincsevics KM
